PLASTIC & FACIAL PLASTIC SURGERY

JEFFERSON K. KILPATRICK, M.D.

PINEHURST SURGICAL CLINIC

September 29, 2025

Dear Patient:

Please be advised that as of November 1, 2025, Dr. Willy Chu is retiring after a long and distinguished career in medicine and we wish him the best.

For dialysis patients, Dr. Atkinson from the Pinehurst Surgical Clinic Vascular Department, along with the nurses and staff at our Rockingham office, will continue to provide the same quality health care you received from Dr. Chu. For general surgery patients, Drs. Alzamora, Knapp, and Sanders will continue to provide this care. If you wish to remain a patient of this practice, you do not have to do anything.

If, however, you would prefer to seek medical care elsewhere, you are free to do so. If you wish to transfer your records to another physician, we will need a signed authorization to transfer records. You may find this on our website at: www.pinehurstsurgical.com. You may return that to our office in person, electronically, or by mail.

Please call us if you have any questions about your current or future treatment.

Sincerely,

Jill MacNeil
General Surgery Department Manager
